Governor Signs Major PBM Reform into Law!

The Governor signed a major PBM reform bill into law which gives the state full authority over PBMs (S3185/A4676). Working with our coalition partners, independent pharmacy scored a major victory and this is only the beginning.

We would like to thank all of IPA's member pharmacies for your support. With our coalition partners we worked together with the goal to stop PBM abuses. That goal is becoming a reality.

Together we can do big things and there is so much more to do!

Key features of S3185 / A4676 PBM Reform Bill Includes:

- ✓ This law will help you advocate for your patients
- ✓ Gives pharmacies the right to resolve all disputes
- ✓ Gives pharmacies the ability to fight back against PBM abuses
- ✓ Gives the state full power over PBMs to help pharmacies & consumers

IPA will provide our members with updates on the new PBM reform law as we work on its enforcement. Once again, we thank you for your support which made this victory possible.

Please call Anthony Reznik, IPA's Director of Government Affairs with any questions at 800-575-2667.
