MEDICARE ALERT

AETNA COVENTRY – TEMPORARY MEMBER ACCESS

If your pharmacy is a Non-Participating provider in the Aetna/Coventry 2015 Standard or Standard Preferred networks, you will be able to **TEMPORARILY** process claims for certain Coventry Medicare Part D members at Premier Preferred in-network reimbursement rates starting **Monday, January 12, 2015**.

The effective date of this temporary transition will be January 1, 2015.

Standard Network: Coventry Medicare Part D claims associated with this network should successfully process **starting January 12, 2015**.

Standard Preferred Network: During the temporary transition period, non-participating providers will be able to process claims for Coventry Medicare Part D members associated with the Standard Preferred network in weekly transition phases through January/February and thereafter.

This **TEMPORARY** Medicare Part D network transition will not impact the ongoing contracting process for the Standard or Standard Preferred Networks; Aetna will continue to send separate communications concerning the status of your individual agreements.

If you have previously requested network access via Aetna's pharmacy network mailbox (PharmNetwrkSrvc@Aetna.com), they are continuing to process those requests.

Aetna's goal with this temporary transition is to ensure members can easily access the drugs they need at Aetna's network pharmacies.

If there are any questions regarding this communication, please contact Aetna's pharmacy network mailbox: **PharmNetwrkSrvc@Aetna.com** or call 800-238-6279.
