# **PRESCRIPTION BLANK DEADLINE** **EXTENDED!!**

The Division of Consumer Affairs is extending the final date that old prescriptions may be used. Prescribers may now use the old (and new) prescription blanks **through September 19, 2014.**

Through September 19, 2014, practitioners may write valid prescriptions on either the old or new prescription blanks. **Starting September 20, practitioners must use the new blanks to issue written prescriptions for their patients.**

You may currently accept the new prescription blanks. Prescriptions written on or before September 19, 2014 on the old prescription blanks should also be accepted and filled. Effective September 20, 2014, **ONLY** new prescription forms must be used by all practitioners.

Prescribers are being reminded to order the new prescription blanks. If you are asked about how to locate printer vendors, a list of approved vendors is available on the Division's website at <http://www.njconsumeraffairs.gov/njpb> .

If you have any other questions or issues, please contact Heather Rodgers at IPA at 800-575-2667.
